# **1 Introduction**

- 1.1 Brocton Parish Council (the Council) has the power, under various sections of the Local Government Act 1972, but not the obligation to make grants available to local community, voluntary and not-for-profit groups in the parish.
- 1.2 The Council is funded by the residents of Brocton parish via a charge on the Council tax collected by Stafford Borough Council. It has, therefore, only limited funds available to assist groups who must demonstrate that they are working for the benefit of the Brocton parish community in an inclusive manner. Grants will be distributed by the Council in a fair and equitable manner to reflect the value and contribution of the organisation to the local community.

# **2 Aims of the Grant Making Programme**

- 2.1 The Council provides grants to support the following aims:
  - 2.1.1 To enable local people to participate in voluntary groups and activities.
  - 2.1.2 To help the parish's voluntary groups to improve their effectiveness.
  - 2.1.3 To support organisations which meet the needs of people experiencing social exclusion or economic difficulties.
  - 2.1.4 To ensure there is equality of access and opportunity for all residents of the parish to the services it provides and funds.
  - 2.1.5 To improve or enhance the local environment
- 2.2 In all its considerations, Brocton Parish Council will aim for value for money for the local taxpayer.

# **3 Who can apply?**

- 3.1 Grants will only be considered for groups and organisations (referred to as groups) which are able to demonstrate a need for financial support to benefit the local community and/or are providing a service in the parish. At the Council's discretion, it may consider groups and organisations out of the parish providing the service or activity is of direct benefit to parish residents.
